**These 3 courses will be taught during the weeklong trip which is going to take place in the week 08-14 April. If you want to go, you need to sign up for ALL three courses. The cost of transport and one meal a day will be covered by the Faculty.

Courses from the Experimental Social Psychology specialization are financed by the EU (also if they are part of ESP and another specialization). If you complete a course, you will receive a part of your tuition fee back (30 PLN for 1 ECTS). Please contact the ESP coordinator for details.

Other requirements:

1. 21 ECTS from non-psychology OGUN classes by the end of studies,
2. At least 48 ECTS from specialization courses during your 4th and 5th year (could be courses from different specializations). If you want to complete a concrete specialization, remember to fulfill all the criteria of this specialization.
3. At least 100h of a traineeship till the end of your studies.
4. Remember : after the 4th year you need to have at least 240 ECTS from your courses (1 year = 60 ECTS)!
